The strategies will (mark all that apply)

- Provide opportunities for all children, including subgroups of students, to meet the challenging Missouri Learning Standards.

Description of how strategy/strategies will provide

Collaboration across the grade and subject levels is held weekly to ensure best practices are being used to teach a viable curriculum. Multiple opportunities to learning are given through high-level classroom instruction, tutoring, daily RTI time, and other opportunities including ICU classroom.

- Use methods and instructional strategies that strengthen the academic program in the school.

Description of how strategy/strategies will strengthen

Teachers have created common formative assessment from newly aligned curriculum with priority standards identified. They meet weekly to review data. Data drives decision making and is used to determine the next best step.

**Increase the amount of learning time**

- Extended school year
- Before-and/or after-school programs
- Summer program
- Other

- Help provide an enriched and accelerated curriculum

Description of how strategy will provide

During RTI time, student remediation takes place, as well as student enrichment. If students are performing at or above grade-level, they are provided with enrichment lessons in the area of reading, communication arts, or math.

Activities that address the needs of those at risk of not meeting the Missouri Learning Standards will include (mark all that apply)

- Address the needs of all children in the school, but particularly the needs of those at risk of not meeting the Missouri Learning Standards

Description of how strategy/strategies will address

Students identified as "at risk" will be given intensive small group instruction in the area of deficit through a combination of push-in and pull-out services with the classroom teacher and reading specialist, as well as paraprofessionals trained by the RTI teacher.
